Ajanta Pharma commits **Rs. 7 crore** to fight **COVID-19** pandemic

Ajanta Pharma contributed 2 crore directly to Prime Minister CARES Fund and 4 crore is being spent on the below activities:

- Providing Ventilators, Thermal Thermometers, sanitizers and protective gears such as Latex Gloves, Gamex Gloves, N-95 Masks, PPE Kits, etc. to Government of Maharashtra, Brihanmumbai Municipal Corporation and other agencies.
- Distribution of food grains to migrant labourers and daily wage earners across different locations.
- Providing medicines free of cost to various authorities and organization.

Not only the company but also over 6300 Ajanta employees have voluntarily contributed Rs. 1 crore from their salaries to fight Covid-19 pandemic in Maharashtra, as an expression of their solidarity with the government. This takes the total commitment of Ajanta Pharma to Rs. 7 crore towards fight against COVID 19.

“Ajanta's mission to serve global healthcare needs through empathy, innovation and technology has come to the fore with the Company standing with the government and patients to overcome the humanitarian crisis triggered by the global spread of COVID-19”

We salute the doctors, medical staffs, pharmacies, stockist and government authorities working selflessly for the cause and promise to tirelessly work towards ensuring availability of essential medicines.

A close-up photograph of a woman with light brown hair, wearing a red turtleneck sweater. She is coughing, with her hand held up to her mouth. The background is a soft, out-of-focus mix of orange and red. In the bottom right corner, there is a circular graphic with a white center and a thick red border. The text "ANTI-HISTAMINICS" is written in bold, black, sans-serif capital letters across the white center.

The background is a deep purple gradient. It features several microscopic images of bacteria. A large, detailed bacterium with many long, thin flagella is positioned in the center-right. Other smaller, less detailed bacterial shapes are scattered in the background, some appearing as simple oval shapes and others with more complex structures. In the bottom-left corner, there is a white circle with a thick, multi-colored border that transitions from pink to orange. Inside this circle, the word "ANTIBIOTICS" is written in a bold, dark blue, sans-serif font.

A man and a woman are sitting on a bed, facing opposite directions. The man, on the left, has a beard and is wearing a white t-shirt with his arms crossed. The woman, on the right, has blonde hair and is wearing a white tank top, resting her chin on her hand. They appear to be in a state of emotional distance. The background is a softly lit room with several circular decorative items on the wall.
