Dear Business Partners,

I want to take this opportunity to look forward to 2024 as a year of possibilities and achievement. Our distributors aren't cogs in a machine but the engine driving our growth and success. The market may shift, but your spirit should never break. I urge you to embrace challenges, innovate, and emerge stronger in 2024- a year of "Accelerated Growth" for us.

While our traded generic markets remain as dynamic as ever, we have always excelled in navigating the market complexities in our own way, showing how strong we are as a company and why we are consistently among the market leaders.

2024 will certainly be beneficial to all our partners. To continue our upward sales trajectory, we need to consistently deliver and focus on building our Top Abbott Brands and New Products.

I am very optimistically looking forward to this year and feel most certain that the new year will only be more exciting, with challenges and great opportunities in store for us. We wish the best to each one of you to help drive our valued business.

K A Ganesh
Associate Director,
AbSure Division,
Abbott Primary Care.
